**One Way System from Great Bank past Threshfield School**

The Chairman allowed the member of the public to speak. It was advised that a parent had backed a car into on coming traffic as the car was not aware of the optional one way route the school asks the parents to use. That some of the cars not aware of the optional one way system are parents taking pupils to other schools and others possibly visitors. The member of the public would like the Parish Council to ask Highways to make this one way. The Council mentioned that the voluntary one way system at school times had been running for a number of decades and that an official one way system would be difficult for residents of Linton Falls. It was also mentioned that Threshfield Parish Council may be looking at this and that the road at Monkholme is subject to flooding making the road impassable at times. Communication was mentioned as it could be an issue in that other schools are not aware of the one way system at school times. It was agreed that this could be an item on the next agenda for any updates.

**Fence on Well Lane**

Cllr Stewart advised that the Fence on Well Lane was down. It was agreed this should go on the agenda for the next meeting.
